for the occurrence of fire in the plantations, etc., due either to himself or his men, which will be dealt with under the provisions of the Mysore Forest Regulation. He shall deposit a sum equivalent to 10 per cent of the purchsae money for the due fulfilment of the lease and shall execute an agreement for that purpose.

4. The purchaser shall not scrape or dig the grass in the plantations, but shall only cut and remove it or graze it.

5. The grass crop in the plantations will be allowed to be cut and removed or grazed only between sunrise and sunset up to the end of the period stipulated, *viz.*, end of December 1928. No storage of grass will be allowed in them. Cattle will be allowed to graze in the plantations only between sunrise and sunset.

6. The purchaser will not interfere with any forest operation such as planting, sowing and felling that the Forest Department may wish to conduct in the leased area. Should any damage be caused by such operations to the grass crop, he shall not be entitled to any compensation.

N.B.—The lessee will maintain the fencing, trench and other boundary marks in order.

7. Tree growth should not be injured or lopped.

8. In the event of breach of any of the conditions specified in the sale notice or agreement the lease will be liable to be cancelled, all the produce collected confiscated and a penalty not exceeding Rs. 25 levied and recovered as an arrear of land revenue by the District Forest Officer and the security deposit or part thereof forfeited.
